

THE *New Town Swing* ORCHESTRA

Line-Up

- Drum miking according to the local conditions
- monitoring, so that there is a balanced stage sound
- usually a separate monitor path for each section
- If no grand or upright piano is available on stage, our pianist will play on his own electric piano, with stage amplifier and line output.
- Our leader will use a microphone for announcements
- The saxophone section and the guitarist sit on chairs without armrests.
- The trumpet section and the drum-set stand on a raised platform.
- First mike, then set up the band
- Any changes due to space restrictions must be agreed with us in advance.
